

SKIN

Full Metal

Change the appearance of your Buddy! Adapt it to your personality by choosing from a wide choice of models. The fun and original patterns will allow you to revamp your robot easily. Our different models adapt perfectly to the curves of your Buddy robot. These skins are very easy to apply all over Buddy's body and can be removed without leaving a trace.

THIS PACK CONTAINS

1 Set of 3 sheets of stickers to completely personalize your Buddy.

1 installation guide to give you some «tips» for the installation of your stickers.

High quality decorative stickers

Dimensions :
