

TRANSPORT TROLLEY

The trolley is a convenient luggage to take your Buddy robot anywhere with you! An accessory for walking with your Buddy in style that combines modernity and originality!

Designed as a baby stroller, a safety harness is provided to attach your Buddy to effectively protect it against vibrations. Its seat is cut out of a rigid base to hold the wheels of your robot perfectly. Also, a support foot for optimal stability when stationary.

Equipped with two large wheels contributing to easy crossing, and a comfortable foam handle for your hand, this trolley will allow you to transport your Buddy robot simply and safely.
